PORTRAIT OF STETSON

NINETEEN HUNDRED AND SIXTY-TWO

THE HATTER

STETSON UNIVERSITY • DELAND, FLORIDA

Countless events, projects, and activities seem inconsequential when first experienced, yet it is these very things that fuse into a memorable image. A carved desk top, the moon over Hulley Tower, neon signs in downtown DeLand — all these and many more items are small but integral parts of life at Stetson.

In choosing "Portrait of Stetson" as the theme for the 1962 **Hatter**, the staff endeavored to capture these different aspects and present a complete picture of college atmosphere. Each division section features a tiny but significant part of a phase of Stetson.

DEDICATION

MR. WESLEY M. BERNER

For the past fifteen years, Wesley M. Berner has faithfully and tirelessly served Stetson University. An Oregon native, he obtained his B.S. degree from Pacific University in 1941 and six years later joined the Stetson faculty; in 1950 he received his M.A. degree on the DeLand campus.

Coach Berner has sponsored the "S" Club; served as a golf pro; and coached the local soccer, golf, and track teams as well as taught classes. However, much of the work he has done has not been publicized. For example, it is he who arrives on campus a couple of hours before classes begin and lines the soccer and football fields; and he is the one who stays after varsity basketball games to straighten up the gym.

So to this dedicated teacher and respected coach whose merits have too long gone unnoticed, we would pay tribute. The 1962 Hatter is hereby dedicated to Wesley Melvin Berner.

THE UNIVERSITY

UNIVERSITY PRESIDENT DR. J. OLLIE EDMUNDS

THE PRESIDENT'S MESSAGE . . .

As this 1962 Hatter memory book goes to press, Stetson University closes the pages on eighty years of service in the field of Christian higher education.

During the past year, divergent requests tested the very foundations of the University. With change and insecurity on every side, it is not difficult to conceive of trustees who might have been tempted to overlook a sacred trust in exchange for promises of more financial support; it is easy to imagine trustees in frustration and disappointment contemplating new relationships and a new order. Let it be recorded to the eternal credit of the entire Stetson community in 1962 that there was never

a moment of doubt as to what the decision of our trustees would be on this vital and fundamental issue. When it came, it was unanimous, and was heartily supported by students, faculty, and administration.

The next two decades of this first century of our history will not be easy ones. All universities that are not publicly owned and controlled face critical days. But confident as we are of increased support from the several hundred Baptist churches within the state, to whom we are bound as partners in a common cause, and strengthened by the loyal backing of faithful alumni and friends, Stetson University faces a future as bright as the promises of God.

SCHOOL OF

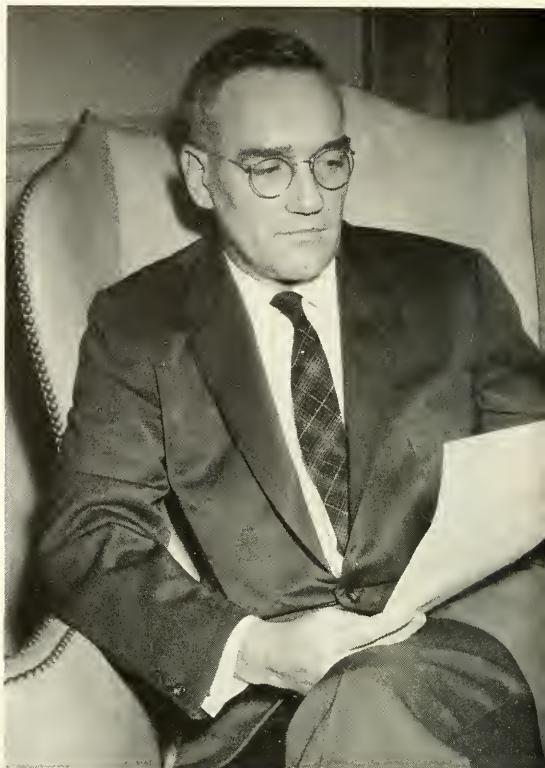

LIBERAL ARTS

The College of Liberal Arts is the oldest and largest of the four colleges comprising Stetson University. To its approximately one thousand students, masters and bachelors degrees are offered in the divisions of humanities, natural sciences, social sciences, and education.

Each Stetson student comes in contact with the liberal arts curriculum as it is the core of the University. Through its general education series one gains a well-rounded knowledge and understanding of the arts and sciences. In addition, the liberal arts major has the opportunity to participate in such areas of study as the Honors Program, the Charles E. Merrill Program of American Studies, combination programs in forestry and engineering, and the Washington Semester.

SCHOOL OF BUSINESS

Founded in 1940, the School of Business is the newest of Stetson's four colleges. It is housed in its own building on West Minnesota.

The school is designed to avoid hampering the graduate from a limited education; therefore forty per cent of his work is taken in the liberal arts field. These hours lay a broad foundation so that he has some knowledge of history, government, science, and literature as a background. The rest of the student's work is taken in a major area of concentration designed to make him proficient in some field of business activity.

SCHOOL OF MUSIC

Stetson's School of Music prepares students for the music profession, including teaching, directing, and performing. It also includes many courses for the non-professional, and a sub-collegiate department for children and students with insufficient previous experience. In 1932 this school became accredited with the National Association of Schools of Music, and it has steadily grown and improved.

Experience in public performance is provided by recitals, oratorios, operas, and concerts. Both the choir and the chorus make many Florida and out-of-state trips for special concerts and festivals; the band and orchestra delight audiences in Elizabeth Hall; and the pep band provides the most enthusiastic support at soccer and basketball games.

THE FEATURES

Scholastics, athletics, fraternities, and organizations combine to form another major field of interest at Stetson — that of the featured activities. This category includes a wide range of events from Green Feather to Hatter Holiday, beauty contests to tugs-of-war, The Highwaymen to Julius Caesar. Such activities are special in that each and every student may participate in and derive enjoyment from them: hence, they are the "features."

Clockwise, the contestants in the Miss Hatter contest are Gwen Cheshire, Monica Abercrombie, Dorothy Jones, Shannon Strauss, Sue Chastain, Linda Klaitz, Penny Gray, Susan Green, Pat Erickson, Karen Roberts, Lorey Arnall, Ginger Barnett, and Lois Olson.

MISS HATTER

Lorey Arnall

Miss Lorey Arnall, 19-year-old sophomore from Venice, was chosen last fall as Miss 1962 Hatter over a dozen other beauties. Raven-haired Lorey was also in the Miss Stetson court at last spring's Hatter Holiday. Being a music major, she exhibits her vocal talents in the university choir and chorus.

At the right Lorey is shown being crowned by the 1961 Miss Hatter, Jean Cox MacArthur. Below, she poses after the contest with runners-up Penny Gray and Shannon Strauss.

HOMECOMING

Hundreds of curb-sitters viewed the 1962 Stetson Homecoming parade.

The rocking Euclid High School band was one of the favorite attractions of the February 17 parade. ▶

A large black and gold pirates' ship was the Tri-Delt and Sigma Nu float design.

Alpha Xi and Lambda Chi took first place honors with their "Bon Mardi Gras" float ▶

The Zetas and Pi Kappas used a cafe motif for their float.

A couple of clowns cavorted on the Pi Phi-Sig Ep float.

"Bubbling over with Spirit" was the Phi Mu-Delta Sig theme.

With two huge champagne glasses, IWO proposed a toast to the Hatters.

Seven cheerleaders and mascot Cathy Giffin rode atop a light convertible in the Homecoming parade.

HOME COMING

The Lambda Chis added a carnival note to their house for the weekend.

SU's most enthusiastic group, the Pep Band, piled onto a school truck for the occasion.

Tennessee Williams' Glass Menagerie was the special Stover Theatre production.

A winking clown was the BSU's Mardi Gras entry.

The Zetas dig in and pull, too, to continue their string of Hatter Holiday victories.

HATTER HOLIDAY

Twelve lovelies pose for final appraisal in the bathing suit division of the Miss Stetson contest. From left they are Dot Jones, Kelly Olinger, Penny Gray, winner Kay Ballou, Lorey Arnall, Lynn Colby, Carol Clark, Judy Wood, Susan Green, Marie Compton, Ingrid Froman, and Linda Heep.

Conspirators Jim Sawyer, Louis Phillips and Charlie Clark address an obstinate Terry Lung in a scene from the Stover presentation of Shakespeare's "Julius Caesar."

STOVER THEATRE

Doris McFarland listens intently as she readies the sound effects for a theatre production.

Brutus and Portia quarrel in this scene from Julius Caesar.

King of Siam Jack Coldiron listens haughtily to the plaints of a segment of his harem in "The King and I."

"Off with his head!" is the verdict against poor Knave of Hearts Randy Griffiths in the Children's Theatre production of "Alice in Wonderland."

Dr. Irving C. Stover proudly cuts his birthday cake at the faculty reception in his honor.

STOVER THEATRE

Carol Taylor and two children ready a scene for "J. B."

Dorothy Hart and Raymond Delgado also rehearse for "J. B.," a play based on the Book of Job.

Theta Alpha Phi president Judy MacKenzie and theatre director Bruce Griffiths talk with Agnes Morehead before her fall appearance at Stover.

A perennial favorite in "Alice in Wonderland" is the talking caterpillar atop a mushroom.

THE GREEKS

In its highest expression, a Greek letter fraternity is an inner spirit, both idealistic and practical. It is a group of men or women each contributing to the group and to one another. In working to make their organization as perfect as possible, they polish and enrich the life of each member, encourage the finest development of character, and form deep, life-long friendships.

At Stetson, every student has the opportunity to develop and expand his horizons as fraternities strive for a successful balance between academic, athletic, social, and administrative activities. Moreover, a great measure of the value of belonging to a fraternity comes from the associations with each other group. A true spirit of Panhellenism, based upon cooperation rather than competition, is essential for the prosperity of the fraternity system and that of each individual group.

Newly-chosen Athena, Alpha Xi Kaye Ballou, and Zeus, Pi Kap Bill Gardner, pose before the lighted torch, symbol of Greek Week.

ALPHA CHI OMEGA

OFFICERS

PRESIDENT	Marilyn White
1ST VICE-PRESIDENT	Naney Walker
2ND VICE-PRESIDENT	Joy Lynn Thomas
TREASURER	Betty Lawhon
SECRETARY	Gail Hilverink
RUSH CHAIRMAN	Ann McDowell

Alpha Chi Omega was founded in 1885 at DePauw University, Greencastle, Indiana, by seven outstanding members of the music school. The golden lyre badge was chosen because of its significance as the first musical instrument of the Greeks; it also represents the musical heritage of Alpha Chi. Its colors are scarlet and green, and the flower is the red carnation.

The Gamma Chi Chapter was founded at Stetson in May of 1957. Since that time it has made great progress and has been recognized as the outstanding AXO chapter in the state of Florida.

The friendly Alpha Chi's may be seen participating in many campus activities. Lynn Chapman and Joy Lynn Thomas serve as dormitory presidents and as members of the Women's Executive Council while many other Alpha Chi's are house council members. Nancy Walker is SGA vice-president as well as a member of Who's Who. In the way of scholastic honors, Edwina Murphy was selected for Phi Society membership. Other honoraries represented among the group are Kappa Pi, Kappa Delta Pi, Phi Beta, Tau Beta Sigma, Sigma Beta Chi, Beta Beta Beta, Kappa Mu Epsilon, and Psi Chi. Gail Johnson was awarded third prize in the Florida Music Composition competition. In addition, Alpha Chi's have merited recognition through the Honor Roll and Dean's List.

Last spring intramural board trophies were awarded to Alpha Chi's Gail Hilverink as Co-Athlete of the Year and Roberta Watts as Rookie of the Year. This fall the group captured the basketball trophy with an undefeated season.

PRESIDENT MARILYN WHITE

The girls of the golden lyre are doing capable jobs in the fields of cheerleading, newspaper staff, Stover Theatre productions, Publications Board, Union Board, Religious Life Council, Intramural Board, the many religious organizations, SGA Cabinet, and the Green Feather, Parents' Weekend, Orientation, Homecoming, Hatter Spirit, Hatter Holiday, and Leadership Weekend Committees. The chapter also was host to the Southeastern Panhellenic Conference with Gail Hilverink as chairman.

Beauty honors received by Alpha Chi's include Carol Clark as first runner-up in the Miss Stetson Basketball contest and Sigma Phi Epsilon Sweetheart and Calendar Girl. Virginia Sporhase was the Alpha Chi entrant in the basketball contest. Gail Hilverink and Carol were also chosen as ROTC unit sponsors. Alpha Chi was represented by two members in the Lambda Chi Alpha Crescent Court. Lynn Colby represented the group in the Miss Stetson contest and Karen Roberts was in the Miss Hatter contest.

Fall pledges Annette Hegeman, Gloria Meierstein, and Carol Robb wait backstage for their act to be called in the Freshman Talent Show.

Five new pledges cheer their team on at the annual fall retreat in Dayton.

The center gets ready to snap the ball in this pledge-active football game at retreat.

PLEDGE TRAINER	Kay Ward

Alpha Xi Delta was founded at Lombard College in Galesburg, Illinois, on April 17, 1893, and was one of the first ten sororities founded in the National Panhellenic Council. The golden quill studded with pearls and the pink Killarney rose are the Alpha Xi Delta symbols. Its colors are the double blue and gold.

No matter where one goes on campus, he will find a friendly and capable Alpha Xi. The trophies which fill the trophy case give evidence to the many titles and honors which our girls have garnered.

Miss Greek Week Athena, Kaye Ballou, is also Lambda Chi Alpha Crescent Girl and the reigning Miss Stetson. Other honors among the group include Delta Sigma Phi Sweetheart Pat Erickson, sophomore vice-president Yvonne Wilby, freshman secretary Leighann Roberts, cheerleaders Judy Campbell and Diane Strickland, Panhellenic President Linda Fulford, Hatter Business Manager Anne Greene, Mortar Board President Judy MacKenzie, and Mortar Board Secretary Betsy Schlueter.

Among the many other activities on campus, one will find Alpha Xi girls on house councils with Carolyn Meisenheimer as Emily Hall secretary and Judy Campbell as representative to Women's Executive Council.

PRESIDENT GLENNA RANKIN

Also are girls on the *Reporter* staff, in Stover Theatre productions, in Travel Squad and Concert Choir, and on Honor Roll and Dean's List.

Alpha Xi's are also outstanding members of many honorary societies — Phi Society (president Judy MacKenzie), Theta Alpha Phi, Beta Beta Beta, Sigma Delta Pi, Sigma Pi Kappa, Kappa Mu Epsilon, Pi Kappa Delta, Gamma Theta Upsilon, Phi Alpha Theta, Tassel, Phi Beta, and Kappa Delta Pi. Also, found working and participating in Canterbury Club, B.S.U., Y.W.A., and other religious organizations are many of our members. This year Alpha Xi was doubly honored in having two senior members chosen for Who's Who — Judy MacKenzie and Betsy Schlueter.

Alpha Xi Delta's national projects are a great source of pride. One of the most important is with a national juvenile delinquency program; Alpha Xi's also help with several annual charity drives.

Judy McKenzie directs children in their roles for a Stover Theatre production.

The Alpha Xi "Amazons" try to stop a Pi Phi attack in a touch football game between halves of a home soccer meet.

The prize-winning Alpha Xi-Lambda Chi float moves into place for the Homecoming parade.

Betsy Schlueter, Sarah Condit, and Pat Erikson are in the midst of readying the Alpha Xi-Pike booth for the Green Feather Carnival.

RUSH CHAIRMAN	Dawn Davis
PLEDGE TRAINER	Nancy Plapp

Delta Delta Delta was established on Thanksgiving Eve, 1888, at Boston University. Alpha Delta Chapter, founded at Stetson in 1913, is the oldest Tri-Delta chapter in Florida. Tri-Deltas honor their badge of three pearl-studded stars within a golden crescent and hold fast to their colors of silver, gold, and blue.

Tri-Deltas take a very active part in all phases of campus life. Jackie Pitts and Dawn Davis serve the Women's Executive Council as president and vice-president, respectively. Jackie has also been chosen for Who's Who in American Colleges and Universities. Eight girls represent the sorority on the various house councils. Sandy Ivey, Kenny Butler, Shannon Strauss, and Sara Mann are active in Stover Theatre productions. Sandy also sings in the university glee club, as does Judy Eckert. Two of Stetson's cheerleaders are Tri-Deltas Sandy Ivey and Shannon Strauss; Shannon was also chosen runner-up in the Miss Hatter contest.

Tri-Deltas serve the various schools and classes of the University as officers. Jackie Pitts is Liberal Arts vice-president, Faith Sasser is junior vice-president, and Susan Green is senior secretary as well as runner-up

PRESIDENT SUSAN GREEN

in the Miss Stetson contest. Academically speaking, Tri-Deltas Linda Heep, Kenny Butler, and Andi Smith were chosen for Kappa Pi, national honorary art fraternity. Dian Aiken and Molly Campbell were asked to become members of Phi Society.

Serving as co-chairmen of three of Stetson's biggest annual events are Darla Frye, Green Feather; Sandy Koch, Greek Week; and Sandy Ivey, Homecoming. Joy Goode Hobby was chosen by Pi Kappa Phi Fraternity as Sweetheart.

These are but a few of the activities in which Tri-Deltas engage. Traditional activities of the sorority are the Apple-Polishing Party, Founders' Day Banquet, retreat, Pansy Breakfast, and Tri-Delta Weekend.

Sandy Koch peers over the planter at the Homecoming open house.

Pi Beta Phi, the oldest national fraternity for women, was founded in 1867 at Monmouth College, Monmouth, Illinois. Florida Alpha, one of its 104 chapters, was established in 1913, making Pi Beta Phi the first national Panhellenic organization on the campus of John B. Stetson University.

Pi Phi's national philanthropic work is the Pi Beta Phi Settlement in Gatlinburg, Tennessee. The school was founded in 1912 for educational and medical services.

Among the outstanding alumnae of the sorority are Margaret Truman Daniels, Mrs. Calvin Coolidge, Jane Wyman, Elizabeth Scott, Mrs. Farris Bryant, and Miss America of 1958, Marilyn Van Derbur.

Stetson's wearers of the golden arrow are active in every phase of campus life. Six of the fourteen girls tapped for Tassel, leadership and scholarship honorary for sophomore women, are Phi Phis Eleanor Dickey, Diana Morris, Susanne Higgins, Jo Parks, Jane Hall, and Suzy Hankins. Mortar Board, as well as Who's Who, tapped Lynn Evans. School and government officers are S.G.A. Secretary Suzy Hankins, S.U.B. Secretary Judy Wood, and Business School Secretary Ginger Barnett. Jane Hall, Bev Chapman, and Cissy Harris are our peppy cheerleaders. Jane is also president of Stetson Hall. Suzy Hankins is president of Chadouin Hall and of Phi Society. Calendar Girls are Joy Hartung and Virginia Hill.

PRESIDENT VIRGINIA HILL

Pi Phi's are all very proud of group participation. The sorority has won the scholarship trophy for five straight semesters, first place for the 1961 Homecoming float "Remember When," and the Intramural Participation Trophy. During the Green Feather Carnival, we teamed with Sigma Nu and earned the most money for charity.

Beauty honors are also numerous within the sorority and the entire group is proud of these girls. Military Ball Queen was Virginia Holtzendorf, who crowned Freshman Beauty Queen Edwinna Whitnal, the fourth straight Pi Phi to merit this honor. Virginia was also Miss Waycross and second runner-up in the Miss Georgia competition. Other beauties include Homecoming Hostess Diana Kunze, first runner-up for Miss Hatter Penny Gray, Hatter Tournament Queen Judy Wood, and last, but certainly not least, Miss Ugly, Shelly Crittenden.

Judy Nowell accepts the Intramural Participation Trophy from Mrs. Esther Hick.

Penny Gray crowns Virginia Holtzendorf 1961 Military Ball Queen.

Virginia relinquishes a title here, that of Freshman Beauty Queen, to Edwinna Whitnel.

Pi Phi claims all three finalists in the 1961 Hatter Invitational Tourney beauty contest. From left are Virginia Hill, Judy Wood, and Suzy Hankins.

Phi Mu, the second oldest sorority in the United States, was chartered in 1852 at Wesleyan College, Macon, Georgia. Presently there are eighty-five collegiate chapters and one hundred seventy-five alumnae groups. The Stetson chapter of Phi Mu was chartered in 1949. Its symbols are an oddly-shaped badge bearing a heart and hand embossed in gold and black, and the pink Enchantress carnation.

Since Phi Mu has been on Stetson's campus, her members have been active in all phases of campus life. Among the current members are Dot Jones, Kappa Delta Pi treasurer and recipient of one of five national Phi Mu scholarships; Jean Greenlaw, Kappa Delta Pi historian; Patsy Stokes and Joy Kressman, Kappa Mu Epsilon; Lisa Durgin, Sigma Delta Pi vice-president; Bev Graham, Tassel; Mary Ruth McMahan, Beta Beta Beta vice-president; Sharon Gage, Publications Board Chairman, Sigma Pi Kappa, Student Union Board Hostess; Sue Dellinger, Sigma Beta Chi vice-president; Marcia Clemons, Sigma Beta Chi. Other activities include Phi Alpha Theta, Women's Council, concert and university choirs, *Reporter* staff, S.G.A. committees, and Panhellenic committees.

Phi Mu places special emphasis on social services. The chapter's major project is the care of an adopted

Korean boy. There are many other projects and all are carried out with special attention to helping the needy and underprivileged.

In the Florida Convention last spring, the Alpha Xi chapter was chosen as the best all-around Phi Mu chapter in the state. Of six awards given at the convention, Alpha Xi won four, another being for the best pledge classes for the previous biennium.

In keeping with chapter traditions, we held the annual fall pledge retreat, Mother-Daughter Christmas party, spring retreat, spring weekend, and senior breakfast.

Thanks to a wonderful alumnae group and to the efforts of our officers, the past year has been a successful one for Phi Mu.

Zeta Tau Alpha is collective individualism. It has always stood for the autonomy of the individual, for to stifle individualism would be to defeat its purpose. Yet, each member is always ready to put her individual academic, athletic, social, and administrative abilities to work for the group and the university.

Academically, Zeta has members in Beta Beta Beta, Kappa Delta Pi, Kappa Mu Epsilon, Kappa Pi, La Franciade, Pi Kappa Delta, Psi Chi, Sigma Beta Chi, Sigma Delta Pi, Sigma Pi Kappa, Sigma Tau Delta, University Chorus, Tolstoy Club, Phi Society, Honor Roll, and Dean's List.

Athletically, Zeta has won the Greek Week Olympics and Intramurals trophies for the past four years, and last year also the Hatter Holiday trophy.

Socially, Zeta initiated desserts for other sororities and the tri-sorority dance, both building Panhellenic spirit. Individually, Ingrid Froman was Pi Kappa Alpha Dream Girl, Robin Dashiell Sigma Nu Sweetheart, and Susan Barnes Southeast Pershing Rifles Queen.

Administratively, Zetas served on all Student Government committees. Individually, Zetas serve as editor of the Hatter, vice-president of the senior class, secretary of the junior class, secretary of the sophomore

Panhellenic Council is the central governing body for Stetson's six social sororities: Alpha Chi Omega, Alpha Xi Delta, Delta Delta Delta, Pi Beta Phi, Phi Mu, and Zeta Tau Alpha; the local group is a member of National Panhellenic Council.

Panhellenic's creed states that the board represents preparation for service through character-building inspired in the close contact and deep friendship of fraternity life.

Sorority rush is the council's main concern. At the beginning of each semester, the group holds several informative sessions to aid girls striving to become

Greeks. At such sessions rush rules, preferentials, and penalties are explained to all rushees.

The council also acts as a judiciary board, hearing all cases involving illegal rushing, broken pledges, or disputes between member sororities. In addition, starting this year, the council will annually award a \$200 Panhellenic Scholarship to a deserving female undergraduate.

Every member group has three representatives on the board: its president, rush chairman, and representative-at-large. Only the representatives-at-large have a vote. Offices of the council are rotated to allow each organization an equal opportunity.

TREASURER Guy Campbell

Inter-Fraternity Council coordinates the activities of and settles the disputes between the six social fraternities on the Stetson campus—Delta Sigma Phi, Lambda Chi Alpha, Pi Kappa Alpha, Pi Kappa Phi, Sigma Nu, and Sigma Phi Epsilon. All six of these are chapters of national fraternities pledged to uphold ideals and standards similar to those embraced by the University.

Fraternity life is one of the most important extra-curricular aspects of one's collegiate career, as membership enhances one's sense of responsibility, leader-

ship, teamwork, and belonging. Stetson's chapters are aware of this importance and are ever conscious of their responsibility for developing men willing and capable of assuming the positions of leadership both on the campus and in the world.

IFC performs the same functions for men's rush that Panhellenic does for women's. Although this does not involve the screaming and crying of women's rush, it is no less trying on the nerves; here a hearty handshake conveys the same meaning as a "squeal hour."

Seated from left are Dalton Epting, Jay Buchner, Bill Cross, and Bill Thompson. Standing in the same order are Jim Terrell, R. C. King, Pat Kripe, Dick Ulack, Butch Spivey, and Guy Campbell. Pike, Pi Kapp, and two Sip Ep representatives are not pictured.

Delta Sigma Phi was founded in 1898 at the College of the City of New York. Since that time it has grown to be one of the largest national fraternities, with over 100 chapters and 50,000 brothers in the bond of Sphinx. The local chapter, Alpha Chi, was installed at Stetson in 1925 with Dr. J. Ollie Edmunds, now president of the University, as charter president.

The chapter conducts such annual affairs as the Christmas "Pop Garner" party for underprivileged children, Honki-Tonk Party, and the "Sailors' Ball." The "Sailors' Ball" originated at Alpha Chi chapter during the depression and has since been adopted as the official weekend for all chapters of the fraternity.

The Delta Sigs, while a social fraternity—all for one, one for all, and all for fun—add much to campus life and the brothers hold many honors. Brother Thompson has served as the vice-president of I.F.C.

President Bill Cross is a member of Men's Council, president of the Business School, treasurer of Beta Alpha Sigma, and captain of the baseball team. Bruce McKinley is treasurer of the junior class, and Jose Auffant is S-4 of the R.O.T.C. Battle Group Staff. Alpha Chi Chapter has always excelled in sports, and this year won the intramural football championship under the direction of quarterback Ron Gironda. Several of the brothers are in Green Circle, Phi Society, and Omicron Delta Kappa, and many of the brothers participate in varsity sports.

The brothers of the Green and White take pride in their honors. We strive constantly to improve our scholastic averages and campus standing.

Faculty members of Delta Sigma Phi include Wesley M. Berner, James D. Perdue, Donald C. Yaxley, and Burwell Wingfield.

The brothers exult after collecting over 17,000 cigarette packs in a contest last spring.

Kalepa Ta Kala is the open motto of Lambda Chi Alpha. It means "Naught Without Labor" and has provided the basic tenet for Lambda Chi Alpha since its founding on November 2, 1909, at Boston University. With this thought always in mind, Lambda Chi has grown to become one of the largest international fraternities with a total of 151 chapters.

Lambda Chi has a tradition of steady growth through work, always striving to improve in order to offer and give more and more to its men. This has been the story of Zeta Tau Chapter on the Stetson campus from the beginning of the chapter in 1949 to the present. It is through working toward common goals and ideals that a close brotherhood is formed, and it is this brotherhood of which Lambda Chi is most proud for brotherhood is the essence of fraternity. We feel that our brotherhood is of the highest calibre. It is our goal to have a well-rounded fraternity with something to offer every man and a place for every man to apply his particular talents; only in this way can a fraternity grow and prosper as it should.

While a social fraternity, Lambda Chi contributes much to campus life in all areas. Lambda Chi's are seen

on the basketball, soccer, and track teams. They are president of the sophomore and junior classes, treasurer of the senior class, vice-president and secretary of the Ministerial Association, president of the Baptist Student Union. Lambda Chi's are seen in Green Circle and Omicron Delta Kappa as well as Dorm Council, Pershing Rifles, various honoraries, and on committees of the Student Government Association.

The brothers of Lambda Chi Alpha are honored to say that Miss Kaye Ballou, our Crescent Girl, is the current Miss Stetson and Greek Week Queen. For the past two years Lambda Chi has been proud to sponsor the winning candidate for Miss Basketball, this year's winner being Miss Judy Wood.

The Lambda Chi house on West Minnesota features a backyard patio and large front porch for dances and parties.

Anything from the twist to the cha-cha can be seen at Lambda Chi's frequent informal parties.

The Pikes have always taken an active part in the sports program of the University. Pikes can be seen on the varsity soccer, golf, tennis, and baseball teams.

PRESIDENT JAY HASKELL

In addition to the intercollegiate sports, Pi Kappa Alpha has done an outstanding job in campus intramurals by winning the tennis trophy and the Intramural Achievement Trophy.

During Greek Week, Delta Upsilon won the chariot race and best-decorated chariot trophies. The chapter also placed an overall third in this year's Greek Week Olympics.

Chi chapter of Pi Kappa Phi was founded on Stetson's campus in 1921, seventeen years after the national organization was chartered in Charleston, South Carolina. The first local, Pi Kappa Phi, was originally started at Stetson in 1912. Since these early years our fraternity has founded many traditions which are now a part of campus life. Some of these are the Freshman Beauty Queen Contest, the Parade of Orchids, the Freshman Girls' Serenade . . . and Uncle Gy-Rack.

Throughout the years, Pi Kappa Phi at Stetson has become recognized and respected for its "tradition of excellence" in all phases of university life. This tradition has been consistently maintained through a balanced program of leadership development in such areas as athletics, music, scholarship, political and religious activities, participated in by men of superior talents. Men of Pi Kappa Phi have served their campus in many offices and honors during the past year. Some of these service positions include SGA president and treasurer, BSU president, editor and business manager of the *Reporter*, president of the "S" Club, and various class and school offices. Pi Kapps have in the past year had many of their men honored in organizations such as ODK and Green Circle. This year there were Pi Kapps in the chairmanships of Green Feather, Greek

We feel that the individual members and the chapter as a whole were honored when for the third year in a row the women of Stetson University elected another Pi Kapp to reign as Greek Week King, and when this year four of the seven men elected to Who's Who in American Colleges and Universities were Pi Kapps.

Pi Kappa Phi also prides itself in its athletics. We have members of all the intercollegiate sports teams, all-conference positions in soccer and baseball, and are, among top contenders in intramurals.

Pi Kappa Phi—the friendly fraternity—is aware of and assumes with confidence its responsibilities for developing leaders on today's campus for tomorrow's world.

TREASURER	Floyd Gladden

"He who starts out on a road, not knowing where he is, where he is going, or how he is going to get there, is lost. He may reach no worthwhile destination—or if he does by accident—how does he know that he has arrived?"

For many a young man these words may describe the situation which he faces as he begins his college career. For most, a destination becomes clear and a desire to fulfill a purpose is acquired. Yet the means of obtaining this destination are often difficult to ascertain. Of many, a few find in the spirit, heritage, and traditions of Sigma Nu the way to follow throughout their lives. Each man learns "to believe in the life of love . . . to walk in the way of honor . . . to serve in the light of truth."

Honor is the keystone of Sigma Nu. Ours is uniquely an Honor Fraternity, founded at an Honor College, and all the brothers are pledged to try to "walk in the way of honor." This is an ideal which, when followed, makes a man trusted, his word good, his actions dependable, and his decisions admired and respected. The Way of Honor is the Way of Sigma Nu.

As for Delta Mu of Sigma Nu on the Stetson campus, each brother strives to maintain the high spirit and traditions that have been passed down through the years. Sigma Nu was the first national social fraternity on the campus. From the very beginning, the word "first" has remained a keynote of the chapter. It is unnecessary to present a list of accomplishments and

COMMANDER DALTON EPTING

achievements of each brother or the chapter as a whole. Names such as Epting, Seaborn, Terrell, Cone, and Patten are familiar to the campus for leadership in various activities. Very few days pass without some mention of names like Hancock, Epting, Gladden, Hester, and Poole on the sports pages of newspapers throughout Florida. Trophies for Greek Week, Hatter Holiday, and intramurals line the trophy case at the house. These are but a few of the tangibles of which we of Sigma Nu are proud.

We are strong and proud, realizing our destination and intending to follow it. Sigma Nu bases its future upon its past. The brothers both as individuals and as a group will continue to strive for ideals upon which the fraternity was founded and will remain loyal to the traditions and the heritage of the Honor Fraternity.

Muscle straining by ten Snakes to the rhythmic chanting of the rest give the fraternity another Hatter Holiday trophy as they win the tug-of-war.

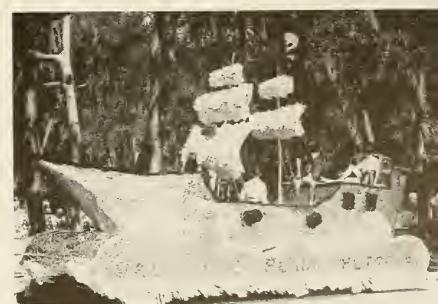

Brothers Wally Drumb, Jim Smith, Bill Grose, Dewey Terrell, and David Poole and their dates enjoy a band party at the house during Homecoming.

The entire chapter, as well as dozens of other spectators, turns out for an intramural softball game.

Billy Bray receives the intramural track trophy for the fraternity.

The Florida Beta Chapter of Sigma Phi Epsilon established itself at Stetson in February of 1949. Sigma Phi Epsilon, world's second largest social fraternity, was founded November 1, 1901, at Richmond College in Virginia.

Sigma Phi Epsilon constantly strives to improve scholarship and leadership. This year Sig Ep has had one Rhodes Scholar nominee, one Woodrow Wilson scholar, and a Woodrow Wilson nominee. There have also been Sig Eps on the Honor Roll and Dean's List. Sigma Phi Epsilon recently won two scholarship trophies and the Quiz Bowl trophy.

Sig Ep is proud of its leaders. Men such as the president of IFC, social vice-president of SGA, Intramural Director, and vice-president of Men's Council are wearing the Golden Heart. Sig Ep also has members in Omicron Delta Kappa, Scabbard and Blade, Green Circle, Pershing Rifles, Men's Council, Dorm Council, "S" Club, and many other leadership positions and honoraries.

PRESIDENT LARRY DEETS

The Sig Ep house is the center of social events. For example, when the Highwaymen recently made a special appearance at Stetson, they were entertained at the SPE house following their performance. The year is highlighted by the annual Christmas and Valentine dances and the Sig Ep weekend, which is well-known for its "Queen of Hearts" Ball.

Sigma Phi Epsilon is justly proud of its camp fund to benefit underprivileged children. Established in 1950, it was the first such project successfully administered by a national fraternity.

Prominent alumni of the fraternity on campus include Dean E. C. Furlong, Dr. John Vaughn, Graves Edmundson, Richard Pearce, and George Hamilton.

The Highwaymen are entertained at the SPE house following their campus appearance.

The Sig Ep band practices regularly to keep in tune for parties and dances.

Work parties such as this keep the house in top condition.

A separate section of the Olympics was devoted to women's athletics. Zeta, here represented by Betty Hargrave, won the relay and finally, the Olympics again.

Jack Sparks finished far out in front here to help the Snakes take another Olympic trophy.

THE MILITARY

Two years after its establishment in 1950, the Stetson ROTC was designated by the Department of the Army to institute the Branch General Program, stressing general military subjects applicable to the Army as a whole with emphasis on leadership. Since that time, through class work, drill periods, and summer camp, it has trained men for each of the fifteen special branches of the service.

Not only does cadet life at Stetson involve career preparation, though; it also incorporates honorary and social activities. Outstanding cadets may be tapped into Pershing Rifles and Scabbard and Blade, and may be designated as Distinguished Military Students. The social life is culminated each spring with Military Week, highlighted by the Military Ball.

R.O.T.C. COMPANIES

Every Monday afternoon the entire Cadet Corps assembles, starched and polished, on Hulley Field for three hours of drill. Each cadet must meet Regular Army specifications regarding dress, drill, conduct, and care and maintenance of weapons.

To effect proper organization, the cadets are divided into companies of approximately fifty-five men each. A six-man Battle Group Staff, aided by Regular Army officers and NCO's, supervises the program. Each company has

its own commander, executive officer, and platoon leaders; these, in turn, are aided by several cadet sergeants and corporals of different rank.

This drill procedure is but one facet of the overall ROTC program, which also includes classwork and a summer camp stint. Upon graduation and successful completion of the requirements, a cadet receives a commission as second lieutenant in the Army in his particular area of specialization.

Colonel Apgar presents awards to outstanding cadets with the aid of Military Queen Virginia Holtzendorf and Seargent Hoxworth.

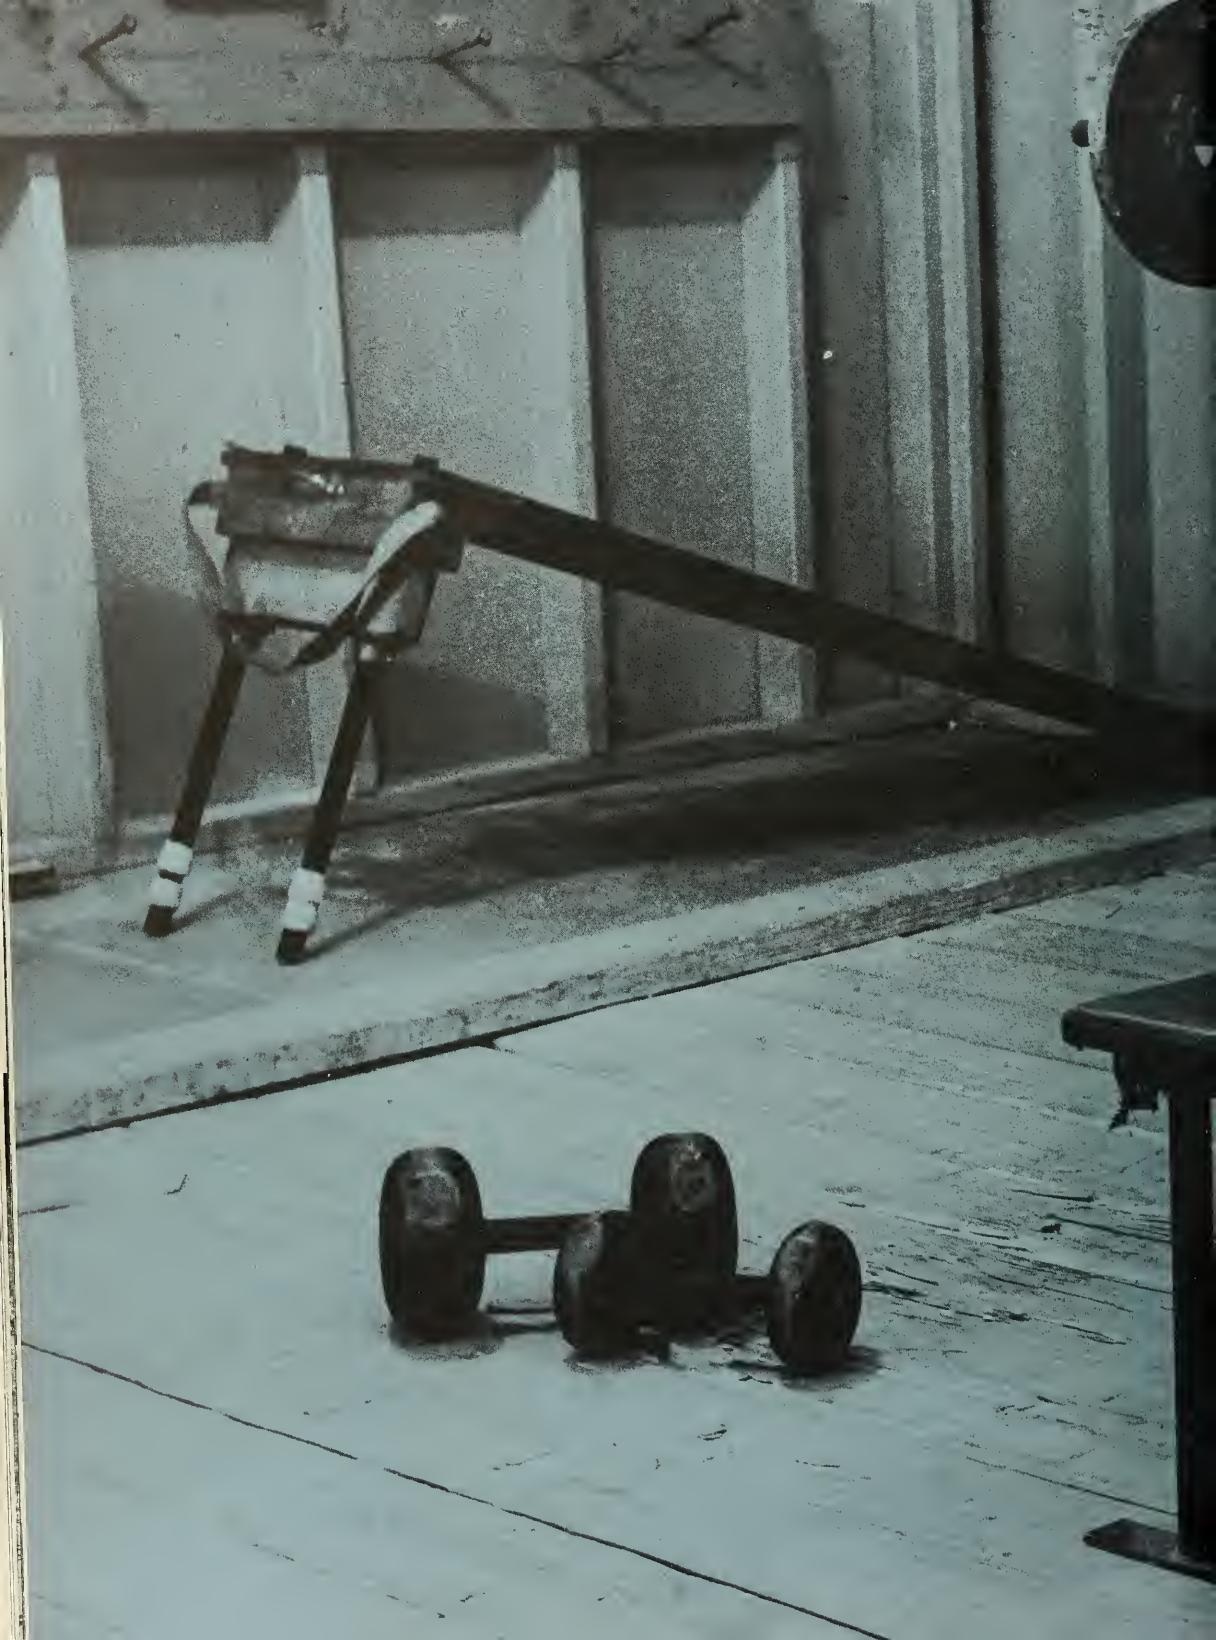

Below is a typical Monday afternoon scene on Hulley Field.

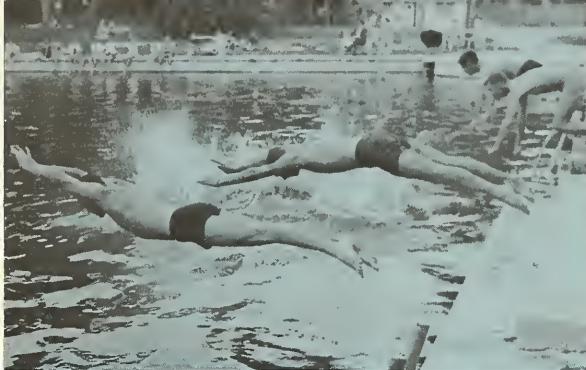

This small boy seems incredulous after watching the Pershing Rifles drill in the Christmas parade.

For many people, no victory can surpass that of an overtime conference basketball game, a record breaking swim or run, a last-second touchdown, or a grand-slam home run, and such cherished triumphs come often in the world of sports.

Athletics form a vital part of life at Stetson, where students are exposed to nearly every major United States sport. The intercollegiate schedule ranges from soccer and basketball to track, golf, baseball, and tennis. In addition, campus organizations vie for trophies in such diverse activities as touch football, badminton, volleyball, and bowling.

SOCER

An aggressive forward line and an agile goalie led to a greatly improved soccer squad this fall. Though allowed fewer corner kicks, Stetson made more assists and hit a higher percentage of attempts than opposing teams to effect a 3-3-1 record.

Goalie Frank Clark made over a hundred saves this season to merit a place on the All-FIC squad; other FIC stars were fullback Tom Brist and co-captains Gary Maris and Red Alderman. Right Wing Boonie Sutherland, halfback Ralph Youngerman, and talented frosh Al Farnham, David Quarrier, and Lenny Grace also sparked many Stetson wins.

Highlight of the season was a long-awaited 3-2 victory over Rollins on first quarter goals by Grace and Farnham and a third quarter clincher by Sutherland.

COACH WES BERNER

On the front row from left are Bill Braun, Don Donegan, Red Alderman, Ralph Youngerman, Frank Clark, Guy Villa, Tom Brist, Coach Berner, and Manager Chuck Litvaney. On the second row are Brink Thorne, David Quarrier, Bob Ames, Boonie Sutherland, Skip Broome, Bill Stark, and Jay Landers. In the same order on the back row are Dave Dena, Tom Tierney, Steve Johnson, Herbert Mansfield, Al Farnham, David Tucker, Raymond Smith, and Lenny Grace.

Rollins players crowd around a Stetson man with the ball, but to little avail. Stetson outplayed the visiting Tars to end at long last their soccer supremacy.

Berner's Bootmen are in obvious control in this meet with Florida Southern.

Red Alderman is temporarily off-balance in this race for a loose ball.

Such intrasquad contests are a big part of practice for varsity games.

Goalee Frank Clark makes an easy save here.

All four players seem to have lost sight of the ball just kicked by Jay Landers in this practice match.

VARSITY

BASKETBALL

Piloted by former Mercer cage star Glenn Wilkes, Stetson's Hi-Hats racked up their thirteenth consecutive winning season this year. The local five posted a 16-11 record before bowing to Orange State in the first round of the NAIA finals at Kansas City.

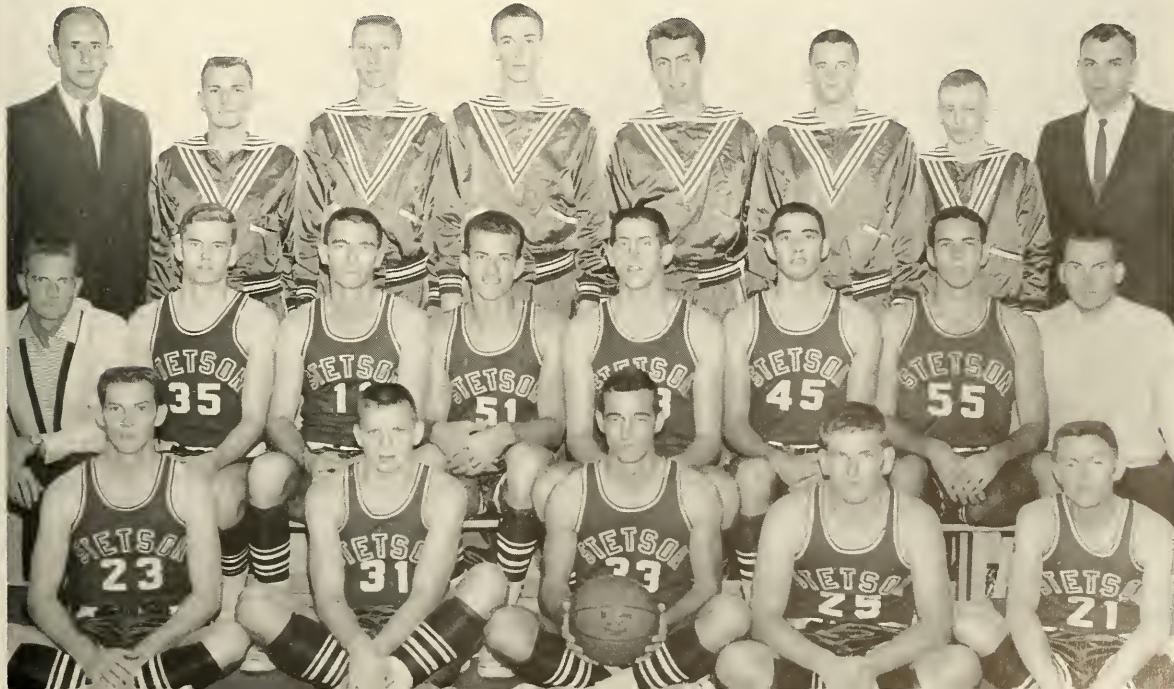

The Wilkesmen dropped their first road game 76-77 to Middle Tennessee State, indicative of the close matches to come. Nearly half of the season's contests were won or lost by less than five points. However, the victories were sufficient to carry the Stetson Five to the District 25 NAIA tournament in Atlanta again. Once there, the Hats pulled together to down Georgia Southern and Jacksonville and earn a trip to the national finals.

Coach Wilkes brought his record at Stetson to 83-54 as he wrapped up his fifth year as head mentor of the DeLand campus. His overall record stands at 206 wins with only 83 losses for a .72 winning percentage. He was aided this year as last by Bob Weickel, a 1960 graduate of Springfield College, who also directed the freshman team.

COACH GLENN WILKES

Seated on the court are, from left, Joel Hancock, Tom Barnard, Ray Moody, Tony Schoder, and Floyd Gladden. On the second row are Trainer Chuck Litvane, Vernon Waters, Jack Sparks, Lamar Deaver, Dalton Epting, Dewey Terrell, Bill Hester, and manager Dick McMillin. Standing are assistant coach Bob Weickel, Billy Bray, Bill Clark, Johnny Poole, Stan Wood, Jimmy Terrell, Frank Shelton, and Coach Wilkes.

Though Johnny Poole has called for the ball, Buck Gladden is open and goes up for two against Georgetown.

"Tricky" Hancock tosses in an easy basket after out-maneuvering his opponent.

Both Stetson and Miami players stare in disbelief as Dalton Epting twists around for a field goal.

Epting gets two of his 36 points in the Hats' 106-80 victory over Blackburn College.

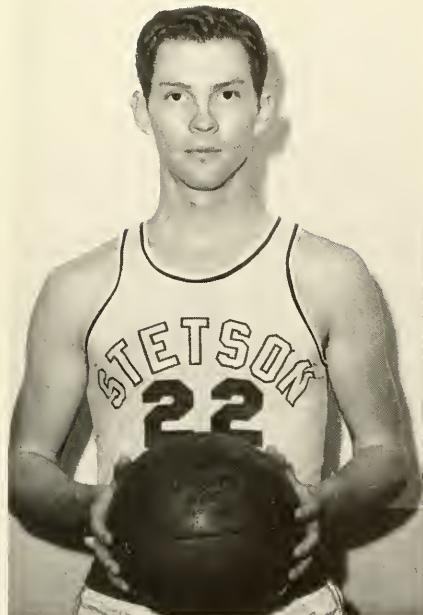

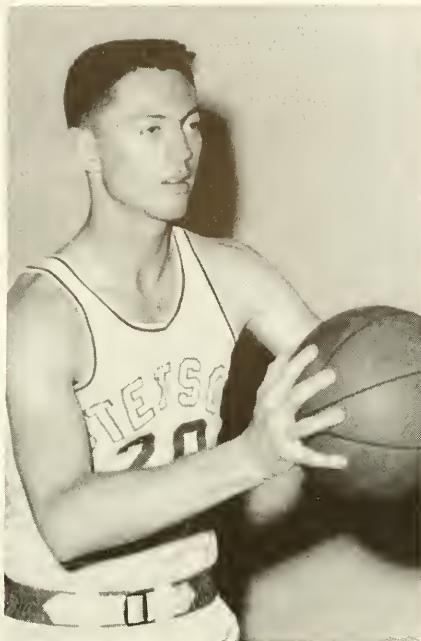

Six-foot, seven-inch center Lamar Deaver from Fitzgerald, Ga., led the team in rebounds with 242 grabs in his first year at Stetson after transferring from a junior college.

VARSITY BASKETBALL

Joel "Tricky" Hancock copped scoring honors this season by a scant four points with a 19.8 point-per-game average. He also led in free throw percentage, hitting 136 of 155 (88%).

Dalton "Stork" Epting hit 49% of his field goal attempts and 74% of his free throws to rack up 550 points, 19.6 per game. Both he and Hancock were named to the All-Tourney team in NAIA District 25.

Hoosier Floyd Gladden connected on 103 field goals and 25 charity tosses to be third highest scorer with 231 points.

Sidelined for a quarter of the season by a muscle injury, forward Vernon Waters nonetheless tallied 160 points and took 100 rebounds.

Deaver, Epting, and an opposing center battle for this rebound.

Freshman Bill Hester, a 6' 4" forward from New Smyrna, proved to be a valuable varsity asset this season with his 109 rebounds and 165 points.

Jack Sparks strains for two as Ray Moody waits to make sure it goes in.

Buck seems determined to plow right through Mercer guard Dulick. Despite a 33-33 halftime tie, the Hats ran wild the second period to capture an 80-64 victory.

Hancock confounds almost any defense with this one-hand jump shot.

Six-foot guard Tom Barnard earned 38 Hatter points on 16 of 36 attempts from the floor and 6 of 13 from the line.

Playing only the first half of the season, guard Ray Moody made 64 markers and took 69 rebounds.

Six-foot five-inch Texan Jack Sparks made 20 points and grabbed 26 from the boards in 13 games.

VARSITY BASKETBALL

Soph Jimmy Terrell hooks a pass in to center as two Mercer forwards and ref Bob Blair look on.

Bob Weickel, 6'5" assistant basketball and baseball coach, directed the frosh squad to a 9-5 record this season. In his two years at Stetson, the tall Yankee has had a .667 winning basketball percentage.

On the freshman team are, from left, Joe Beavo, John Frances, Ken Kincaid, Bob Mayer, Johnny Poole (high scorer with 246 and also 56 points and 45 rebounds in varsity play), Roy Bowman, Bill Clark, Frank Shelton, and Stan Wood.

Kneeling, from left, are John Dennis, Bill Harrell, Larry Hartsfield, Verl Beebe, Harry Schindehette, Ed Lassiter, and Mel Murray. Standing are manager Ron Palmer, Ed Parker, captain Bill Cross, Jack Cunningham, Dennis Fougne, John Mayer, Roy Bowman, Keith Phillips, and Coach "Doc" Johnson.

BASEBALL

Jacksonville's Dolphins visited Conrad Park March 15 to open Stetson's 1962 baseball season. The Hatter Nine face a 26-game season including tilts with Amherst, Pfeiffer, Valdosta State, and Mercer, as well as the usual FIC teams.

Last spring Stetson racked up its first winning season in several years with a 13-9-1 record, including a long-awaited victory over the Rollins Tars. This year, added pitching depth could offset overall team inexperience, as all but five Hats are freshmen or sophomores.

Aiding Coach "Doc" Johnson this year as last are Dr. Elmer C. Prichard and Bob Weickel; senior Bill Cross, directly heads the squad as captain. And everpresent for moral support is team mascot Blackie.

First baseman Ed L'Heureux makes ballet-like leaps into third in the Tampa game.

Dunworth tries to put out a sliding Georgia Tech player but the visiting base coach thinks his man is in safe.

Borders fires one in from second.

The Stetson Nine wait for turns at the plate. Standing by the dugout is Ed L'Heureux. Seated are Dave Ross, Jack Cunningham, Ralph Youngerman, Paul Hendrix, 1961-62 captain Bill Cross, Verle Beebe, Frank Clark, Jerry Dunworth, Ed Parker, Don Smith, George Borders, Lee Gartside, and "Doc" Johnson.

Sprinter George Borders breaks the tape for a first place against Georgia Tech; teammate Red Alderman is a few paces behind.

Top track scorer Dalton Epting soars above the pit in a winning broad jump against Georgia Tech.

Expressions of bystanders evidence consternation as Dohnel Miller cannot quite equal a Furman runner's pace.

THE INTRAMURAL BOARD

Six social fraternities, Independent Men, and the Ministerial Association all enter teams to make the men's intramural program one of the most popular extracurricular fields at Stetson. Nearly every university man at some time participates in at least one of the program's varied activities. During the school year, tournaments are held in such sports as basketball, touch football, badminton, table tennis, paddleball, horseshoes, bowling, track, cross-country, tennis, and volleyball. In some of these areas even the faculty often enters a team.

Men's intramurals are governed by a board composed of representatives from each participating group headed by a student chairman selected by the physical education faculty. For the last several years this board has been ably assisted by director Garland Williams, who left midterm this year to become a football coach in Georgia.

The board awards trophies for each major sport and each spring Dr. J. Ollie Edmunds presents the President's Cup to the group with the highest point total for the year. In addition, an outstanding athlete is named every year; the 1960-61 winner was Richard Shell.

DIRECTOR GARLAND "BULLDOG" WILLIAMS

From left to right are Darryl Cowder, Logan Fay, Sven Lovegren, chairman Fred Sakon, John Ruggiero, Steve Ennis, and John Folds.

Sig Ep Phil Hembdt rushes intently at Snake quarterback and ball-carrier John Ward.

Stray Greek Carl Rentz, quarterbacking the Indies' team, gets ready to call for the ball.

University President J. Ollie Edmunds smilingly presents the President's Cup for winning the 1960-61 intramurals to IMO prexy Gary Maris.

MEN'S INTRAMURALS

The Delta Sigs are ready to rush the minute that Pi Kapp ball is snapped.

About two dozen runners take off in the annual cross-country race as many other students lounge in front of the Union Building to see who takes an early lead.

All-star Dave Poole tags Sig Ep Bob Moore as teammate Jim McGlaughlin rushes up to make sure Bob will not get away. (Those agonized expressions give evidence to the seriousness of touch football.)

All eyes focus on Dave Poole and Red Alderman as they vie for a jump ball. Well over 250 fans filled Hulley Gym for this Pi Kapp Sigma Nu tussle, always one of the highlights of any intramural season.

Tony Shoder shoots one over guard Clinton Rouse's outstretched arm.

Suspended in midair is intramural champion pole vaulter Roy Bowman.

Timers and spectators wait and watch as an Indie runner strains to finish the cross-country run.

Ump Jack Dupre is all set to make a call against either slugger Charlie Warren or catcher Bob Smith's pitcher.

At the close of each intramural basketball season, the all-stars challenge Stetson's junior varsity. Here John Ward tries to stop an attempt by frosh Dewey Terrell.

One of the most familiar sights around Hulley Gym is equipment manager Ed DeLoorey and his cigars.

Sigma Nu first baseman Jimmy Terrell is ready for a force out.

Pi Kapp Hugh Peterson runs wide as Don Seaborn prevents Richard Beauchamp from receiving a pass at midfield.

Seated, left to right, are student director Mary Lynn Chapman, Charlotte Keyes, Roberta Watts, Meg Guthrie, and Beth Bierley. Standing are Dell Marie Mikell, Helen Gaylord, Celia Emery, Sharon Gage, Donna Jacques, Marilyn Raynal, Diane Disney, Roberta Aldrich, Bassha Mills, and Marilyn Rinaldo.

WOMEN'S INTRAMURALS

Six social sororities, IWO, and five dormitories enter teams in the women's intramural program designed to present opportunities for Stetson women to participate in wholesome recreational activities. The program is directed by the intramural board, composed of a representative from each group, and sponsored by Mrs. Fran Carlton.

During the year tournaments are held in such sports as basketball, bowling, softball, tennis, volleyball, shuffleboard, badminton, and table tennis. Each spring is an awards banquet at which point and participation trophies are presented. The 1069-61 Point Trophy went to Zeta Tau Alpha and the Participation Trophy to Pi Beta Phi.

Gail Hilverink and Sally Lied share the Most Valuable Player trophy presented to them by director Mrs. Carlton.

Badminton ace Roberta Watts has just returned an easy shot in one of her many matches.

Intramural all-star Bunny Bergin tries to get a shot off despite close guarding by Palms players Karla Burger and Marilyn Raynal.

Meg Jones rushes to the net as Daw Davis sets up a return. Tri-Deltas Sara Booth, Mary Llew Browne, and Sara Mann, and judge Zeta Anne Quarles look on.

In a practice leap, from left are Bev Chapman, Kris Kahn, Shannon Strauss, Diane Strickland, mascot Cathy Giffin, Jane Hall, Sandy Ivey, and Marie Compton.

STETSON'S CHEERLEADERS

To promote and direct cheering at pep rallies, bonfires, basketball and soccer games are Stetson's cheerleaders. Captained by Marie Compton and Bev Chapman, the squad is under the direction of "Prof" Giffin, who is himself one of the school's most avid fans.

"Give 'em the green!" is the cry of Jane Hall, Cissy Harris, and Marie Compton, as Kris Kahn, Shannon Strauss, and Janice Fisher await their turn.

Beverly Chapman is all ready to start a yell at one of the pep rallies in front of the Union Building.

THE ORGANIZATIONS

Both outlets and honors come to students through Stetson's many cultural, academic, social, leadership, and service organizations. In addition to social fraternities and school-wide student governments are numerous voluntary and honorary organizations for special interests or capabilities.

The honoraries recognize outstanding leadership, scholarship, and achievement in certain fields; voluntary groups welcome anyone to participate and are dedicated to increasing interest in particular areas.

"Exerting the gift of freedom bestowed by God, and insured and established in the Constitution of the United States, we, the students of Stetson University, in order to afford just representation in the interest of the student body, to centrally govern and coordinate the various organizations, and to cooperate with the University authorities for the benefit of all, do establish this Constitution for the Student Government Association of Stetson University."

The above preamble to the SGA constitution clearly and simply states the major objectives of Stetson's student body. Governed by an executive committee of five elected members and a cabinet of department heads, the SGA governs organizations, elections, and school-wide social and philanthropic projects. The elected officials also attempt to conciliate students' ideas and wishes with those of the faculty and administration.

Below are excerpts from the constitution to further explain this organization.

1962 HATTER

Contracts, picture schedules, copy deadlines, page lay-outs, choice of theme and dedication, ad sales—all these and many more factors enter into the production of a school annual. **The Hatter**, employing a small and well-trained staff, attempts to synthesize these mechanical elements with the activities and lives at Stetson to produce a lasting pictorial documentation of and for the university community.

Beginning each spring with publications elections, work progresses through designing lay-outs in the summer to taking pictures and gathering data in the fall to making up the final pages to be sent to the engraver in the late winter. Then, while proofing and distributing one year's product, another staff is being chosen to begin the cycle anew.

On the Hatter staff are, from left, Joanne Field, Olive Westberry, Sara Booth, Enith Vardaman, Meg Jones, and Dawn Davis.
